GRAFOTEAM U.K Ltd. now official distributor for *indafa* computer cleaning products.
.....

Release – Cambridgeshire – April 2nd, 2008

Grafoteam U.K. Ltd. officially announces the taking over of the distribution of the *indafa* range of computer cleaning products for the United Kingdom. Years of experience in Sales & Marketing and the successful distribution of Grafoteam GmbH machinery for the graphic art industry, led to the next step: enlarging the product range into the growing IT market.

“Computer cleaning products are a niche market which is constantly growing. Innovative and patented products in this respect are tomorrow’s business”, stated Svetlana Borg, Grafoteam U.K Ltd’s Managing Director.

Grafoteam U.K Ltd. will be exhibiting at Channel Expo at the NEC, Birmingham showing the *indafa* product range.

Attendees are invited to visit the Grafoteam U.K Ltd. stand (A30).
